**Gardner
Denver**

AUTHORIZED DISTRIBUTOR

DEPENDABLE PRODUCTS

Dependable Supply of Clean, Oil-Free Air Gardner Denver CycloBlower offers superior performance and dependability for dry bulk material handling. The exclusive smooth running helical screw rotor design and the precision tolerances engineered into each CycloBlower provides cooler, more efficient compression for extended blower life. Load after load, year after year, Gardner Denver CycloBlower is the leader in efficiency.

- Superior and consistent quality can be found in every CycloBlower as a result of: - Continual investment in the training of world-class manufacturing personnel - Quality inspections throughout the entire manufacturing process
- Compact design utilizing optimum performance materials
- Reduced vibrations result in longer service of critical blower components
